Back again at our home, Balboa Sports center.

Upcoming Club BBQ will be on August 20th at the Los Encinos State Historic Park 16756 Moorpark St, Encino. Again, the region will be picking up the tab ☺ More details to come.

All Cal 2023 Was a success. There were about 80 in attendance. Those that paid and could not attend were sent full refunds. My goal was not to try and make it a profit event but not a loss. Final numbers are not in BUT I am confident that we made a small profit.

Sad news One of our newest members died ... Scott Ross. Some of us had the pleasure of meeting him last summer at our outside meeting in the park. He brought his '61 Impala fuel injected car for us to see.

Discussion was held on upcoming 2023 SFV Region Car Show to once again be held at Community Chevrolet on Sunday November 12th. A discussion was had about raising the entry fee for the show. New Communications: The SFV Region's April meeting marked the first time that we were back in our old meeting room at Balboa Sports Park since the COVID Pandemic – OVER THREE YEARS! It was good to be back.

Round table discussions on upcoming events and things we've done with our cars since last month.

No old business was discussed
New business – No new business to discuss. No meeting in May as All-Cal 2023 takes place the next day.
